LAMB
Shoulder!

Juicy, tender,
quality cuts

Cooked to perfection

Using the sous vide cooking method, Naturalaz consistently delivers tender, moist and succulent meat. Premium quality meat is cut to specification, vacuum sealed in oxygen proof bags and cooked at a very precise temperature. Having exact control over heat provides consistency and produces perfectly, evenly cooked meat every single time. A result that can't be achieved with any other cooking method. Chefs just need to unwrap, heat, brown and garnish to finish the dish.
