SOY SAUCE

THE COMPLETE RANGE

Akari Soy Sauce is made in Japan by Yamasa Corporation and draws on their 370 years of experience in the art of brewing. With consistent quality from generation to generation, Yamasa is the preferred soy sauce of senior chefs in Tokyo and around the world.

Made from selected ingredients and brewed with a long ageing process, many consider Akari soy sauce to be the finest made.

Classic Soy Sauces

Akari Soy Sauce can be used in a range of meals, snacks and desserts. Enhance the flavour of burger patties, grilled pineapple, roasted nuts or even chocolate brownies with the taste of umami! Akari Classic Soy Sauces are available in a range of sizes for cooking convenience or as a perfect table top seasoning.
