

Brilliant depth and concentration shines throughout this full bodied cabernet sauvignon. Blackcurrant and blackberry flavours are in abundance, along with nuances of chocolate-mint, cassis and a hint of French oak for a broad and palatable finish.

__SERVING SUGGESTION
The flavours of this varietal come to fruition when paired with complementary foods. The depth of this wine is further highlighted when enjoyed alongside the umami and saltiness of hard cheeses or mushrooms. For a fuller plate, enjoy with beef short ribs or exquisitely charred lamb chops.
