

A classic, full bodied shiraz. Concentrated flavours of ripe red berries and hints of pepper spice are integrated with oak characters and luscious velvety tannins, for a complex and layered finish.

__SERVING SUGGESTION
Go big and bold with hearty vegetables and smoky barbecued meats, which are a perfect match with warm climate shiraz. The peppery spiced undertones of this wine cut through the intense flavours of indulgent red meats. Perfect with a traditional beef roast or moreish hamburgers.
