

VICTORIAN WINES
SHORE'S REACH
Pinot Noir

BIDFOOD CODE: 213022

REGION: Mornington Peninsula

VINTAGE: 2021

TASTING NOTES: A balanced bouquet of juicy black cherries and dark plum characteristics. The palate is well structured with persistent acidity and tannins that create a fuller bodied wine.

FOOD PAIRINGS: The deep, earthy umami of olive tapenade contains a delicate saltiness that cuts through the intense dark fruits of this wine. Include this in your entrée alongside a hard goat cheese and rustic crackers.
